

Dear Vihaan,

On behalf of the SAVE family, we appreciate your support in making our work possible!

Last year, 1,467 survivors received essential services to escape violence and create safer lives, 1,619 calls were supported through our 24-hour crisis line, and 158 women and children survivors found safety in emergency motels and the Safe House. Learn more about our 2024 Impact Report [here](#).

Your generous donation of 50 3D printed keychains and fidget toys was received on October 07, 2026. No goods or services were given in exchange for this donation.

I invite you to find other ways to connect with SAVE by attending [events](#), [volunteering](#), and following us on social media through the icons below. Experience your support in action and see how SAVE leads in offering compassionate and innovative responses for the many brave survivors we serve.

Everything SAVE does is possible because of people like you.

Warm regards,

Fareeha Mohsin

Development Officer
